THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On Thursday October 22, 2020 at approximately 1300 hours Bob Fu called in to the City of Midland Police dispatch reporting a bomb threat. Chief Herman, Hedrick and Lt. Rackow went to 2204 Cuthbert to meet with Mr. Fu. Upon arrival Mr. Fu started showing DC Hedrick a live stream of protesters in front of his house at 4719 Bishops Castle saying they were in the street and needed to be arrested. DC Hedrick explained to Mr. Fu of what criminal charges they were committing or not committing and we were not going to arrest the protesters for standing in the roadway next to the curb as no vehicle traffic was coming nor was any roadway being blocked. Mr. Fu went on to say and try to show us a forum that is on an app called Discord. DC Hedrick does not know the name of the forum on the app however Mr. Fu has everything on his phone on how to get to the exact place where people are talking about Mr. Fu. This forum according to Mr. Fu is being run by Mr. Kwak or Gua out of New York. Everyone on this forum has a handle or nickname as well as a membership number. The string of comments came on 10-21-20 in this forum on this discord app and are in Chinese. The two individuals or nicknames (Wen Zha and Wen Yi) that he is stating are posting pictures of explosives and are telling others to come blow up the communist bandit. The picture preceding these comments and pictures of "explosives" was a picture of Mr. Fu in communist clothing. The context clues do indicate that the communist bandit would be Mr. Fu but there was no direct threat saying to blow up Mr. Fu. The pictures that were posted were looked at by Lt. Rackow whom is our Bomb Tech. Lt. Rackow could not discern whether these items were actual explosives, a picture off of a brochure, or whose hand they might be in. Mr. Fu claims they are mining explosives from China however currently we were not able to confirm any of that from the pictures themselves. For pictures of these posts and other details please see Mr. Fu so they can be taken off of his phone. At approximately 1614 hours bomb techs Lt. Rackow and Investigator Bullard conducted a bomb sweep of 4719 Bishops Castle and no indications were given by Investigator Bullards bomb dog.
